Heat Pump Rebate

Available Rebates:

- Ducted Electric Air Source Heat Pump, 2 tons or larger: \$1,000
- Ducted Electric Air Source Heat Pump with Backup Electric Furnace or Boiler: \$2,000
- · Non-ducted Mini Split Heat Pump, 1 ton or larger: \$500
- Geothermal Heat Pump with Electric Backup: \$2,000

Rebate Checklist

In order to ensure timely approval and issuance of your rebate, please complete the following steps. Incomplete applications may result in delayed payment.

- Read the application Terms and Conditions to determine if you are eligible for a rebate under this program
- Complete this application form
- Attach the following documentation:
 - Itemized invoice including equipment manufacturer, model numbers, size or capacity, date of installation and installation address
- Submit the application and required documentation to your local utility

Terms & Conditions

The Power Forward heat pump rebate program is provided by Heartland Energy in collaboration with your local municipal utility. Incentives are provided for the purchase of an electric air-source heat pump or geothermal heat pump.

- Customers of participating utilities served by Heartland Energy are eligible for rebates.
- Rebates are only available on models as outlined in this application, purchased and applied for in the current calendar year.
 Applications must be submitted by December 31, 2025.
- Rebates are available on a first-come, first-served basis and are subject to eligibility and availability of funds. This program
 is subject to change or termination without notice.
- A copy of proof of purchase/sales receipt must be included with this application and will not be returned.
- Rebates will be issued by your local electric utility in a manner chosen by the utility. Please allow up to 90 days for the
 delivery of rebates.
- Equipment must be new and installed by December 31, 2025. Old equipment (if applicable) must be properly removed and disposed of in order to be eligible for the rebate.

For a list of participating utilities, visit www.heartlandenergy.com or contact your local utility to verify participation.
